Ok. I'll ask Curtis to follow up on that. That number was used before we had a home office.

I think that would be the best contact number. We don't want Eastman parents (or paid UTLA protestors who identify themselves as Eastman parents) to contact Breed. That would probably create confusion.

Thanks to everyone for thoughtfully dealing with a group of parents and teachers from the Eastman school yesterday. Here are some guidelines if they return. Please inform your staff who may be welcoming guests at the gate.

1. Always be courteous and polite
2. Do not let them on campus - their work does not deal with Inner-City Arts and the safety, security and sanctuary of this space need to be preserved
3. This is private property, uninvited visitors have no legal right to enter
4. If I am here I will go outside and pleased to speak with them
5. Do not give them my cell number
6. Do not give them my email
7. If they want to set a meeting, I am more than happy to meet with them, but they should make those arrangements through the Extera Public School office at 323-780-8300

Thanks again very much, and sorry for yesterday's interruption of the quality work you all do!
